

When you Visit the Land of Fairytales

Written by: Play Connect LLC

When you visit the land of fairytales,
What do you think you'll see?
Will you see Cinderella in a ball gown?
Or Snow White running from an evil queen?

When you visit the land of fairytales,
What do you think you'll see
Will you see some pigs building houses?
Or a wolf blowing one, two, three?!

When you visit the land of fairytales,
What do you think you'll see
Will you see Little Red visit grandma?
Or Jack planting some magic beans?

Come and visit the land of fairytales
All you need to do
Is open a book and take a look
And you'll be in the land of fairytales!
