

# **Spooky, Spooky Halloween**

*Written by Play Connect LLC.*

Spooky, spooky Halloween is here  
Can you hear the ghosts as they dance near

*(Say boo and float hands)*

Spooky, spooky Halloween is here  
Do you see the bats flying there

*(Flap arms up and down)*

Spooky, spooky Halloween is here  
Do you see the witches flying near

*(Pretend to fly on broomstick)*

Oh, how I love Halloween  
Especially the candy

All for me!

*(Point to self)*
