

The Little Owl

Written by Play Connect LLC.

Hoot hoot hoot said the owl in the tree
Hoot hoot hoot, I want to see what I can see!

I see a possum family!

Hoot hoot hoot said the owl in the tree
Hoot hoot hoot, I want to see what I can see!

I see a skunk; I hope he doesn't spray me!

Hoot hoot hoot said the owl in the tree
Hoot hoot hoot, I want to see what I can see!

I see a beaver chewing on a tree!

Hoot hoot hoot said the owl in the tree
Hoot hoot hoot, I have seen what I wanted to see

Now it's time to take a rest for me!
