

## My Five Senses

I touch, touch, touch with my hands (move fingers)

I smell, smell, smell with my nose (wrinkly nose)

I taste, taste, taste with my tongue (stick tongue  
out)

I hear, hear, hear with my ears (point to ears)

I see, see, see with my eyes (point to eyes and open  
them wide)

I use, use, use my senses every day!
